

stanley
stella

Colour card 2017.

Soft, comfy, more colours and heathers, ready to customise, easy to print. Always sustainable.

Stanley & Stella introduces its new 2017 collection.

This collection is now around **130 styles**. We've developed **125 colours**, including 16 new ones for this season. Do you enjoy our heathers? We have more than 40 shades to customise. Take a closer look, feel the warmth and discover our premium apparel.

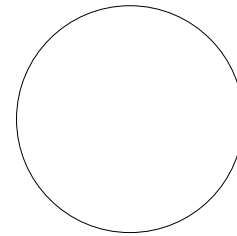

Stanley & Stella's collection is **designed in Belgium** and proudly **made meeting Fair Wear Foundation's condition of labour**. Because we care about the people we work with and the environment, Stanley & Stella fabrics are natural and sustainable. Since the launch of the brand, our collections are made of organic cotton, linen, wool, tencel, modal, polyester and recycled polyester.

Our collection is 100% yours. **Enjoy!**

Stanley & Stella is proudly associated with the following labels.

Take a closer look at our garments tags and discover what's behind their logos.

Environmental Friendly

GOTS

High-level standards, environmental criteria for textiles made from organic fibres. Includes restricting use of chemical substances and restrictions related to social criteria.

OCS 100

Certifies that the product is made with 100% organic cotton.

OCS Blended

Applies to all goods that contain a mix of organic cotton blended with other fabrics such as recycled polyester, natural fibres like linen, lenzing modal or tencel.

Social Compliance & Code of Conduct

Fair Wear Foundation

Fair Wear Foundation (FWF) is a non-governmental organisation that aims at promoting legal and humane labour conditions in the worldwide garment industry right through the supply chain. As a FWF member, Stanley & Stella works in cooperation with factories towards improving their working conditions. The eight standards at the heart of the FWF Code of Labour Practices include: employment is freely chosen, no discrimination in employment, reasonable working hours, no exploitation of child labour, freedom of association and the right to collective bargaining, payment of a living wage, safe and healthy working conditions and a legally binding employment relationship.

Health Safety

Oeko - Tex

Controls and limits chemical use. Independent testing and certification system for textile products at all stages of production along the textile value chain.
